

# Piute Arts Festival - Entertainer Application

**G**reetings and thank you for your interest in participating in the Piute Arts Festival as an artist/vendor! While the PAF is open to all, our mission is to promote cultures, foods, arts and artists associated with Southern Utah and Piute County in particular. The Piute Arts Council reserves the right to determine artists, vendors, placements, acceptances, rejections, wait lists, sizing, pricing and all other related aspects of the event. Submitting an application does not guarantee acceptance as an artist/vendor. This year's event is combined with the annual Paiute Trail UTV/ATV Jamboree in Marysville, Utah which typically attracts over 700 to 770 participants, frequently tripling the population of the town

**Compensation:** The Piute Arts Council is a federally registered non profit organization and no compensation will be given to performers. You are allowed to conduct whatever self promotion you feel appropriate. (CDs, tee shirts, etc.)

**Selection Criteria:** Entertainers will be accepted based on, registration information, submission date and PAC needs and priorities. Selection of entertainers will be based on capacity, festival needs, and entertainment offered. Entertainers must indicate what type of entertainment they will offer as part of this application for approval to ensure a diverse and appropriate experience for attendees. Entertainers shall bring all props, costumes and equipment required for their act. A microphone and sound system will be provided. Performances may occur at any time after 9:00 AM on Saturday, August 8th. The PAC will contact entertainers prior to the event informing them when they are scheduled to perform.

**Communication:** Email will be our primary mode of communication, although we may also contact you by phone.

## Requirements:

- Bring your own pre-recorded music/musical instruments/props. If your accompaniment is pre-recorded, your playback device must have a stereo 1/8" head phone jack output

- Entertainers must be on site and ready to perform at least one hour prior to their scheduled time slot.
- Performances will typically be between 30 to 90 minutes depending on the total number of acts throughout the day. Your allocated time will be agreed upon before the day of the performance.
